

Fill in the gaps

Hello, it's me	It's no secret
I was wondering if after all these years	That the both of us are running out of time
You'd like to meet, to go (1) everything	So, hello from the other side
They say that time's supposed to heal ya	I must've called a thousand times to tell you
But I ain't done much healing	I'm sorry, for (7) that I've done
Hello, can you (2) me?	But when I call you never seem to be home
I'm in California dreaming about who we used to be	Hello from the outside
When we were younger and free	At least I can say that I've tried to tell you
I've forgotten how it felt before the world fell at our feet	I'm sorry, for breaking your heart
There's such a difference between us	But it don't matter, it clearly doesn't (8) you apar
And a million miles	anymore
Hello from the other side	Ooooohh, anymore
I must've called a thousand times to (3) you	Ooooohh, anymore
I'm sorry, for everything that I've done	Ooooohh, anymore
But when I call you never (4) to be home	Anymore
Hello from the outside	Hello from the other side
At (5) I can say that I've tried to tell you	I must've called a thousand (9) to tell you
I'm sorry, for breaking your heart	I'm sorry, for everything that I've done
But it don't matter, it clearly doesn't tear you apart anymore	But when I call you never seem to be home
Hello, how are you?	Hello from the outside
It's so typical of me to talk about myself	At least I can say that I've tried to tell you
I'm sorry, I hope that you're well	I'm sorry, for breaking your heart
Did you ever (6) it out of that town	But it don't matter, it clearly doesn't (10) you apar
Where nothing ever happened?	anymore
