

## Fill in the gaps

## Fairytale Of New York by The Pogues

It was christmas eve babe	then (14) through the night
in the drunk tank	The boys of the nypd choir
an old man said to me, won't see another one	were singing "galway bay"
and (1) he (2) a song	and the bells were ringing out
the (3) old mountain dew	for christmas day
I (4) my face away	You're a bum
and (5) about you	you're a punk
Got on a lucky one	you're an old slut on junk
came in eighteen to one	lying (15) (16) dead on a
I've got a feeling	(17) in that bed
this year's for me and you	you scumbag, you maggot
so (6) christmas	you cheap lousy faggot
I love you baby	happy christmas your arse
I can see a (7) time	I (18) god it's our last
when all our dreams come true	the boys of the (19) choir
They've got cars big as bars	still (20) "galway bay"
they've got rivers of gold	and the (21) were (22) out
but the wind goes right (8) you	for christmas day
it's no (9) for the old	I could have been someone
when you first took my hand	well so (23) anyone
on a (10) christmas eve	you took my (24) from me
you promised me	when I first found you
broadway was (11) for me	I kept them (25) me babe
You were handsome	I put them with my own
you were pretty	can't make it all alone
queen of new york city	I've (26) my dreams around you
when the (12) finished playing	The boys of the (27) choir
they (13) out for more	still singing "galway bay"
sinatra was swinging,	and the bells are ringing out
all the drunks they were singing	for christmas day
we kissed on a corner
