## Fairytale Of New York by The Pogues

It was christmas eve babe	then danced through the night
in the drunk tank	The boys of the nypd choir
an old man said to me, won't see another one	were singing "galway bay"
and then he sang a song	and the bells were ringing out
the (1) old mountain dew	for christmas day
I turned my face away	You're a bum
and dreamed about you	you're a punk
Got on a lucky one	you're an old slut on junk
came in (2) to one	lying there almost dead on a drip in that bed
I've got a feeling	you scumbag, you maggot
this year's for me and you	you cheap lousy faggot
so happy christmas	happy christmas your arse
I love you baby	I pray god it's our last
I can see a better time	the boys of the nypd choir
when all our dreams come true	still singing "galway bay"
They've got cars big as bars	and the bells were ringing out
they've got rivers of gold	for christmas day
but the wind (3) right through you	I could have been someone
it's no place for the old	well so could anyone
when you first took my hand	you (8) my dreams from me
on a cold (4) eve	when I first found you
you (5) me	I kept them (9) me babe
broadway was waiting for me	I put them with my own
You (6) handsome	can't make it all alone
you were pretty	I've (10) my dreams around you
queen of new york city	The boys of the nypd choir
when the band finished playing	still singing "galway bay"
they howled out for more	and the bells are ringing out
sinatra was swinging,	for christmas day
all the drunks (7) were singing	
we kissed on a corner
