

Fill in the gaps

Have you ever fed a lover with (1) your hands?	The walk before the run
Close your (2) and trust it, just trust it	The breath before the kiss
Have you (3) thrown a fist full of glitter in the air?	And the fear before the flames
Have you ever looked fear in the face	Have you ever felt this way?
And said I (4) don't care?	La la la la la la la la
And it's only half past the point of no return	There you are, sitting in the garden
The tip of the iceberg	Clutching my coffee,
The sun before the burn	Calling me sugar
The thunder before the lightning	You called me sugar
Breath before the phrase	Have you (5) wished for an endless night?
Have you ever felt this way?	Lassoed the (6) and the stars and
Have you ever hated yourself for staring at the phone?	(7) that (8) tight
You're whole life waiting on the ring to prove you're not alone	Have you ever held your breath and (9) yourself
Have you ever been touched so gently you had to cry?	Will it ever get better than tonight?
Have you ever invited a stranger to come inside?	Tonight
It's only half past the point of oblivion	
The hourglass on the table
