I wish I found some better sounds no one's ever heard,
I wish I had a better voice that sang some better words,
I wish I found some chords in an order that is new,
I wish I didn't have to rhyme every (1)_______ I sang,
I was told when I get older all my fears would shrink,
But now I'm insecure and I care (2)______ people think.
My name's 'Blurryface' and I care what you think.
My name's 'Blurryface' and I care what you think.
Wish we could turn back time, to the good ol' days,
When our momma sang us to sleep but now we're stressed out.
Wish we could turn back time, to the good ol' days,
When our momma sang us to sleep but now we're stressed

We're stressed out.

Sometimes a certain smell will take me (3)______

I was young,

How (4)_____ I'm never able to identify where it's coming

from,

out.

I'd make a candle out of it if I ever found it,

Try to sell it, never sell out of it, I'd probably only sell one,

It'd be to my brother, 'cause we have the same nose,

Same clothes homegrown a stone's throw from a creek we used to roam,

But it would remind us of when nothing really mattered,

Out of student loans and treehouse homes we all would take the latter

My name's 'Blurryface' and I care what you think.

My name's 'Blurryface' and I care what you think.

Wish we could turn back time, to the good ol' days,

When our momma sang us to sleep but now we're stressed

Wish we could turn back time, to the good ol' days,

out.
We used to play pretend, give each other different names,
We would build a rocket ship and then we'd fly it far away,
