

To test the limits and break through

Fill in the gaps

The (1) glows (2) on the	No right, no wrong, no (15) for me
(3) tonight	I'm free!
Not a footprint to be seen	Let it go, let it go
A (4) of isolation, and it looks (5)	I am one (16) the (17) and sky
I'm the queen	Let it go, let it go
The wind is howling (6) this swirling	You'll (18) see me cry
(7) inside	Here I stand
Couldn't keep it in, heaven knows I've tried	And (19) I'll stay
Don't let them in, don't let them see	Let the storm rage on
Be the good girl you (8) (9) to be	My power flurries through the air into the ground
Conceal, don't feel, don't let them know	My (20) is (21) in frozen
Well now they know	(22) all around
Let it go, let it go	And one thought crystallizes like an icy blast
Can't hold it back anymore	I'm (23) (24) back, the past is in
Let it go, let it go	the past
Turn away and slam the door	Let it go, let it go
I don't care what they're going to say	And I'll (25) (26) the break of dawn
Let the storm rage on	Let it go, let it go
The cold never bothered me anyway	That perfect (27) is gone
It's (10) how (11) distance	Here I stand
Makes everything (12) small	In the light of day
And the fears (13) once controlled me	Let the storm rage on
Can't get to me at all	The cold never bothered me anyway
It's (14) to see what I can do
