Taste The Feeling by Avicii Vs. Conrad Sewell

It feels good, in my heart, in my soul,	So we can feel forever feel
When you're right here beside me	Together be real, together and
I don't ever want this day to end	No one can stop me (6) I taste the feeling
We can watch the waves, have a Coke	Nothing could ever bring me down
And you sit here (1) me	No one can stop me when I taste the feeling
Take a little long my heart again	Nothing could ever bring me down
So we can feel forever feel	With every fading sunset
Together be real, (2) and	We see the (7) align
No one can (3) me when I taste the feeling	We make the simple moments last for a lifetime
Nothing could ever bring me down	So, we'll feel forever
No one can (4) me when I taste the feeling	You and me, together
Nothing could ever bring me down	We can stay forever
You make it easier to sing it	Be real together
You make it easier to sing it	No one can stop me when I taste the feeling
Feels (5) as we stand on the shore	Nothing (8) ever (9) me down
And our hearts are jumping	No one can stop me when I taste the feeling
I Grab another Coke and let's dive in	Nothing could ever (10) me down
Oh, my love, there's a song in my soul	You make it easier to sing
When you are around me	You make it easier to sing
