

Fill in the gaps

Without You (ft. Usher) by David Guetta

I can't win, I can't reign	I can't quit now, this can't be right
I will never win this game	I can't (8) one more (9)
Without you, without you	night
I am lost, I am vain,	Without you, without you
I will (1) be the same	I won't soar, I won't climb
Without you, without you	If you're not here, I'm paralyzed
I won't run, I won't fly	Without you, without you
I will (2) it by	I can't look, I'm so blind
Without you, without you	I lost my heart, I lost my mind
I can't rest, I can't fight	Without you
All I (4) is you and I	Without you
Without you	Oh, oh, oh!
Without you	You! You! You!
Oh, oh, oh!	Without
You! You! You!	You! You! You!
Without	Without you
You! You! You!	I am lost, I am vain,
Without you	I will never be the same
Can't erase, so I'll take blame	Without you, without you
But I can't (5) we're estranged	Without you
Without you, (7) you
