

Fill in the gaps

Take a breath	That if you fall, stumble down
I pull myself together	I'll pick you up off the ground
Just (1) step till I reach the door	If you lose faith in you
You'll never know the way it tears me up inside to see you	I'll give you strength to pull through
I wish that I (2) tell you something	Tell me you won't give up cause I'll be waiting if you fall
To take it all away	Oh you know I'll be there for you
Sometimes I wish I could save you	(Ahahaha)
And there're so many things that I want you to know	If only I could (7) the answer
I won't (3) up till it's over	To take it all away
If it takes you forever I want you to know	Sometimes i wish i could save you
When I hear your voice	And there're so many (8) that I want you to
Its drowning in a whisper	know
It's just skin and bones	I wont give up till it's over
There's nothing left to take	If it takes you forever I want you to know
And no matter what I do I can't make you feel better	(Oh)
If only I could find the answer	I wish I could save you
To help me understand	I (9) you to know
Sometimes I wish I could save you	(Ohohh)
And there're so many (4) that I want you	u to I wish I could (10) you (oh)
know	
I (5) give up (6) it's over	
If it takes you forever I want you to know
