

## Fill in the gaps

Take a breath	That if you fall, (8) down
I pull myself together	I'll pick you up off the ground
Just (1) step (2) I reach the door	If you lose faith in you
You'll never know the way it tears me up inside to see you	I'll give you strength to pull through
I wish that I could tell you something	Tell me you won't give up cause I'll be waiting if you fall
To (3) it all away	Oh you know I'll be there for you
Sometimes I wish I could save you	(Ahahaha)
And there're so many things that I want you to know	If only I could find the answer
I won't give up till it's over	To take it all away
If it takes you (4) I want you to know	Sometimes i wish i could save you
When I hear your voice	And there're so many things that I want you to know
Its drowning in a whisper	I wont give up till it's over
It's (5) skin and bones	If it (9) you forever I want you to know
There's nothing left to take	(Oh)
And no matter what I do I can't make you feel better	I wish I could save you
If (6) I could find the answer	I want you to know
To help me understand	(Ohohh)
Sometimes I wish I (7) save you	I wish I could save you (oh)
And there're so many things that I want you to know	
I wont give up till it's over	
If it takes you forever I want you to know
