

## Fill in the gaps

Sometimes everything seems (1)	and large	you don't know you don't know	
imagine a Wednesday evening in march		you don't know (5)	about me anymore
future and past at the same time		I (6) up dreaming for a while	
I make use of the night start drinking a lot		I (7) up dreaming for a while	
although not ideal for now it's all that I've got		I've noticed these are mysterious days	
it's (2) to know your name		I look at it and like a jigsaw puzzle and gaze	
You don't know you don't know		with wide open mouth and burning eyes	
you don't know anything about me		if only I (8) start to care	
an ocean a lake I need a place to drown		my dreams and my Wednesdays ain't going nowhere	
let's freeze the moment cause we're going down		baby baby you don't know	
tomorrow you'll be gone		you don't (9) you don't know	
you're (3) too hard	this all	you don't know anything about me	
(4) surreal		what do I know I know your name	
I feel peculiar now what do you feel		you don't know you don't know	
do you think there's a chance that we can fall		you don't know (10)	about me
you don't know you don't know			
you don't know anything about me			
what do I know I know your name
