

Fill in the gaps

No woman no cry	Said I remember when we use to sit
No woman no cry	In the government (7) in trenchtown
No (1) no cry	And then georgie would make the (8) light:
No woman no cry	I seh, log would burnin' through the nights
Cause I (2) when we used to sit	Then we would cook cornmeal porridge
In a government yard in trenchtown	Of which I'll share with you
Observing the hypocrites	My feet is my only carriage
Mingle with the (3) people we meet	And so I've got to push on thru,
Good friends we have, oh, (4) friends we have lost	Oh, while I'm gone
Along the way	Everything 's gonna be alright
In this great future,	Everything 's gonna be alright
You can't (5) your past	No (9) no cry
So dry your tears, I say	No woman no cry
No woman no cry	I seh little darlin'
No woman no cry	Don't shed no tears
Little darling, don't shed no tears	No (10) no cry.
No (6) no cry
