

## Fill in the gaps

No woman no cry	Said I remember when we use to sit
No (1) no cry	In the (12) yard in trenchtown
No (2) no cry	And (13) (14) (15)
No (3) no cry	make the fire lights
Cause I remember when we (4) to sit	I seh, log would burnin' through the nights
In a (5) yard in trenchtown	Then we would cook cornmeal porridge
Observing the hypocrites	Of which I'll (16) with you
Mingle with the good people we meet	My feet is my (17) carriage
Good (6) we have, oh, (7)	And so I've got to push on thru,
friends we have lost	Oh, while I'm gone
Along the way	Everything 's (18) be alright
In (8) great future,	Everything 's gonna be alright
You can't forget (9) past	No woman no cry
So dry your tears, I say	No (19) no cry
No woman no cry	I seh little darlin'
No (10) no cry	Don't shed no tears
Little darling, don't shed no tears	No woman no cry.
No (11) no cry
