

Fill in the gaps

You would not believe your eyes	(Please take me away from nere)
If ten million fireflies	Why do I tire of counting sheep?
Lit up the world as I fell asleep	(Please take me away from here)
'Cause they fill the open air,	When I'm far too tired to fall asleep
And (1) teardrops everywhere	To ten million fireflies
You'd think me rude, but I would just stand and stare	I'm weird 'cause I hate good-byes
I'd like to make myself believe	I got misty eyes as they (4) farewell (they said
That planet Earth turns slowly	farewell)
It's hard to say that I'd rather (2) awake when I'm	But I'll know where several are
asleep	If my dreams get real bizarre
'Cause everything is never as it seems	'Cause I (5) a few and I keep them in a jar(jar
'Cause I get a thousand hugs	jar, jar)
From ten thousand lightning bugs	I'd like to make myself believe
As they try to teach me how to dance	That (6) Earth turns slowly
A foxtrot above my head,	It's hard to say that I'd rather stay awake when I'm asleep
A sock hop beneath my bed,	'Cause (7) is never as it seems
A disco ball is just hanging by a thread (thread, thread)	(when I fall asleep)
I'd like to make myself believe	I'd like to (8) myself believe
That planet Earth turns slowly	That planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep	It's (9) to say that I'd (10) stay
'Cause everything is never as it seems (when I fall asleep)	awake when I'm asleep
Leave my door open just a crack	'Cause everything is never as it seems (when I fall asleep)
(Please take me (3) from here)	I'd like to make myself believe
'Cause I feel like such an insomniac	That planet Earth turns slowly
	It's hard to say that I'd rather stay awake when I'm asleep
	Because my dreams are bursting at the seams
