

Fill in the gaps

Come Talk To Me by Bon Iver

The (1)_____ desert (2)_____ it's form,
the jackal proud and tight,
in search of you i feel my way,
through slowest heaving night
whatever fear invents,
i swear it make no sense
i reach out through the border fence
come down, come talk to me
In the swirling curling storm of desire
unuttered words hold fast
with reptile tongue the (3)_____ lashes
towers (4)_____ to last
darkness creeps in like a thief
and offers no relief
why are you shaking like a leaf?
come on, come talk to me
Ah (5)_____ talk to me
won't you (6)_____ talk to me
we can unlock this misery
come on, come talk to me
I did not (7)_____ to steal
this all is so unreal
can't you show me how you feel
come on, come (8)_____ to me
Come talk to me, come (9)_____ to me
The (10)_____ power sucks shadowed milk,
from (11)_____ tears undone
from nipples skin as smooth as silk,
the (12)_____ blow as one
you lie there with your eyes half closed,
like there's noone there at all
there's a (13)_____ pulling on (14)_____ face
come on, (15)_____ talk to me
Won't you please talk to me

if you'd just talk to me
unblock this misery
if you'd only talk to me
don't you ever change your mind
now your future's so defined
and you act so deaf so blind
come on, come talk to me
come talk to me, come (16)_____ to me
I can (17)_____ the moment
breaking out through the silence
all the things that we both (18)_____ say
and the heart it (19)_____ not be denied
'til we're both on the same (20)_____ side
all the barriers blown away
I said please talk to me
won't you please come talk to me
just like it used to be
come on, (21)_____ talk to me
i did not come to steal
this all is so unreal
can you show me how you (22)_____ now
come on, come talk to me
come talk to me, come talk to me
I (23)_____ please (24)_____ to me
if you'd just talk to me
unblock (25)_____ misery
if you'd (26)_____ talk to me
don't you ever change your mind
now your future's so defined
and you act so (27)_____ so blind
come on, come talk to me
come talk to me, come talk to me
