

Fill in the gaps

The wretched desert (1) it's form,	if you'd just talk to me
the (2) proud and tight,	unblock (18) misery
in search of you i feel my way,	if you'd (19) to me
through slowest heaving night	don't you ever (21) your mind
whatever fear invents,	now your future's so defined
i (3) it make no sense	and you act so (22) so blind
i (4) out through the (5) fence	e come on, (23) talk to me
come down, come talk to me	come talk to me, come (24) to me
In the swirling curling storm of desire	I can imagine the moment
unuttered (6) hold fast	breaking out through the silence
with reptile tongue the lightning lashes	all the things that we both might say
towers (7) to last	and the heart it will not be denied
darkness creeps in like a thief	'til we're both on the same damn side
and (8) no relief	all the barriers (25) away
why are you shaking like a leaf?	I said please talk to me
come on, come talk to me	won't you please come talk to me
Ah please (9) to me	just like it used to be
won't you please (10) to me	come on, come talk to me
we can unlock this misery	i did not come to steal
come on, come talk to me	this all is so unreal
I did not come to steal	can you (26) me how you feel now
this all is so unreal	come on, come talk to me
can't you (11) me how you feel	come talk to me, come talk to me
come on, come (12) to me	I said please talk to me
Come talk to me, come talk to me	if you'd just talk to me
The (13) power (14)	unblock this misery
shadowed milk,	if you'd only talk to me
from sleepy tears undone	don't you ever change your mind
from nippled skin as smooth as silk,	now your future's so defined
the bugles blow as one	and you act so deaf so blind
you lie there with your eyes half closed,	come on, come talk to me
like there's (15) there at all	come talk to me, come talk to me
there's a tension pulling on your face	
come on, come (16) to me	
Won't you (17) talk to me
