Fill in the gaps

Don't you cherish me to sleep
Never keep your eyelids clipped
Hold me for the pops and clicks
I was only for the father's crib
Hair, old, long along
Your neck onto (1)_____ (2)_____ blades
Always keep that (3)_____ taped
Cross your (4)_____ you won't erase
I was only for your very space
Hip, under nothing
Propped up by your other one, face 'way from the sun
Just (5)_____ to (6)_____ a dialogue
Teach our bodies: (7)_____ the cause
I was (8)_____ (9)_____ to spell a loss
Joy, it's all founded
Pincher with the skin inside

You pinned me with your black sphere eyes
You know that all the rope's untied
I was only for to die beside
So it?;s (10)_____ on the lake
Little waves our bodies break
There's a fire going out,
But there's really nothing to the south
Swollen orange and light let through
Your one piece swimmer stuck to you
Sold, I'm Ever
Open ears and open eyes
Wake up to your starboard bride
Who goes in and then stays inside
Oh the demons come, they can subside
