

## Fill in the gaps

Don't you (1) me to sleep	You pinned me with (11) (12) sphere
Never keep your eyelids clipped	eyes
Hold me for the (2) and clicks	You know that all the rope's untied
was (3) for the father's crib	I was (13) for to die beside
Hair, old, long along	So it?;s storming on the lake
Your (4) onto your shoulder blades	Little (14) our (15) break
Always keep that message taped	There's a fire going out,
Cross (5) breasts you won't erase	But there's (16) to the
was only for your (6) space	south
Hip, under nothing	Swollen (18) and light let through
Propped up by your other one, face 'way from the sun	Your one piece swimmer (19) to you
Just (7) to keep a dialogue	Sold, I'm Ever
Teach our bodies: haunt the cause	Open (20) and (21) eyes
was (8) to spell a loss	Wake up to (22) starboard bride
Joy, it's all founded	Who goes in and (23) (24) inside
Pincher (10) the skin inside	Oh the demons come, they can (25)
