

Fill in the gaps

If I had eyes in the back of my head	We were victims (6) but lonely
I would have told you that	You got hungry eyes that just can't look forward
You (1) good	Can't give them enough but we just can't start over
As I walked away	Building (7) bent nails we're
And if you could've tried to trust the hand that fed	falling but holding, I don't wanna (8) up anymore o
You would've never been hungry	(9) time
But you never really be	Time time time
The (2) of this or less of (3) or is there	Sometimes time doesn't heal
any difference	No not all
or are we just (4) onto the things we don't	Just stand still
have anymore	While we fall
Sometimes time doesn't heal	In or out of love again I doubt I'm gonna win you back
No not at all	When you got eyes like that
Just stand still	It won't let me in
While we fall	Always (10) out
In or out of love again I doubt I'm (5) win you	Always lookin'
back	
When you got eyes like that	
It won't let me in	
Always looking out	
Lot of people spend their time just floating
