

Fill in the gaps

You got hungry (18) that just can't (19) forward
forward
Can't give (20) enough but we (21)
can't start over
Building with bent (22) we're
falling but holding, I don't (23) take up anymor
of your time
Time time time
Sometimes time doesn't heal
No not all
Just stand still
While we fall
In or out of (24) again I (25) I'm
(26) win you back
When you got eyes like that
It won't let me in
Always looking out
Always lookin'
