

## Fill in the gaps

If I had eyes in the back of my head	We were (5) together but lonely
I would have told you that	You got hungry eyes that just can't (6) forward
You looked good	Can't (7) them (8) but we just can't
As I walked away	start over
And if you could've tried to trust the hand that fed	Building with bent nails we're
You would've never been hungry	falling but holding, I don't wanna take up anymore of your time
But you never really be	Time time time
The more of this or (1) of this or is there any	Sometimes time doesn't heal
difference	No not all
or are we (2) (3) onto the things	Just stand still
we don't have anymore	While we fall
Sometimes (4) doesn't heal	In or out of (9) again I doubt I'm gonna win you
No not at all	back
Just stand still	When you got eyes like that
While we fall	It won't let me in
In or out of love again I doubt I'm gonna win you back	Always looking out
When you got eyes like that	Always lookin'
It won't let me in	
Always looking out	
Lot of people spend their time just floating
