### When The Sun Goes Down by Arctic Monkeys

Who's that girl there?	I (14) to wonder what his story might be, what
I (1) (2) went wrong	his story might be
So that she had to roam the streets	They said it changes when the sun goes down
She don't do (3) credit cards	Around here
I doubt she (4) receipts	Look here comes a Ford Mondeo
It's all not quite legitimate	Isn't he Mister Inconspicuous?
And what a scummy man	And he don't (15) to say 'owt
Just (5) him (6) a chance	She's in the (16) ready to get picked up
I bet he'll rob you if he can	Bet she's delighted when she sees him
Can see it in his eyes,	Pulling in and giving her the eye
That he's got a (7) ban	Because she must be fucking freezing
Amongst (8) other offences	Scantily clad beneath the clear night sky
And I've seen him with girls of the night	It don't (17) in the winter, no
And he (9) Roxanne to put on her red light	They (18) it (19) (20)
They're all (10) but he'll be alright	the sun (21) down
Cause he's a scumbag, don't you know	Around here
I said he's a scumbag, don't you know!	They (22) it changes when the sun goes down
Although you're trying not to listen	Over the river going out of town
Avert your eyes and staring at the ground	They said it changes (23) the sun goes down
She (11) a subtle proposition	Around here
"I'm (12) love I'll have to turn you down"	What a (24) man
He must be up to summat	Just give him half a chance
What are the chances sure (13) more than	I bet he'll rob you if he can
likely	Can see it in his eyes (25) he's got a nasty plan
I've got a feeling in my stomach	I (26) you're not involved at all
