When The Sun Goes Down by Arctic Monkeys

Who's that girl there?		I start to wonder what his story might be, what his story might
I wonder what went wrong		be
So that she had to roam the streets		They said it changes when the sun (3) down
She don't do major credit cards		Around here
I doubt she does receipts		Look here comes a Ford Mondeo
It's all not quite legitimate		Isn't he Mister Inconspicuous?
And what a scummy man		And he don't (4) to say 'owt
Just give him half a chance		She's in the (5) ready to get picked up
I bet he'll rob you if he can		Bet she's delighted when she (6) him
Can see it in his eyes,		Pulling in and giving her the eye
That he's got a driving ban		Because she must be fucking freezing
Amongst some other offences		Scantily (7) beneath the (8) night sky
And I've seen him with girls of the night		It don't stop in the winter, no
And he told Roxanne to put on her red light		They said it changes (9) the sun goes down
They're all infected but he'll be alright		Around here
Cause he's a scumbag, don't you know		They said it changes when the sun goes down
I said he's a scumbag, don't you know!		Over the river going out of town
Although you're trying not to listen		They said it changes when the sun goes down
Avert your eyes and (1)	at the ground	Around here
She makes a subtle proposition		What a scummy man
"I'm sorry love I'll have to turn you down"		Just give him half a chance
He must be up to summat		I bet he'll rob you if he can
What are the (2)	_ sure it's more than likely	Can see it in his eyes that he's got a nasty plan
I've got a feeling in my stomach		I hope you're not involved at all
