When there's lightning - it always bring me down Cause it's free and I see that it's me Who's lost and (1) found I cry for magic - I feel it dancing in the light But it was cold - I lost my hold To the shadows of the night There's no sign of the morning coming You've been left on your own Like a rainbow in the dark Do your demons - do they ever let you go When you've tried - do they hide -deep inside Is it (2) (3) you know You're a picture - just an image caught in time We're a lie - you and I We're words without a rhyme There's no (4) of the (5) coming You've (6) left on your own Like a rainbow in the dark When there's lightning - it always brings me down Cause it's free and I see that it's me
