

## Hot N Cold by Katy Perry

### Fill in the gaps

You change (1)\_\_\_\_\_ mind  
Like a girl changes clothes  
Yeah, you PMS like a bitch  
I would know  
And you (2)\_\_\_\_\_ think  
Always speak cryptically  
I should know  
That you're no good for me  
'Cause you're hot then you're cold  
You're yes then you're no  
You're in and you're out  
You're up and you're down  
You're wrong when it's right  
It's (3)\_\_\_\_\_ and it's white  
We fight, we break up  
We kiss, we make up  
You, you don't (4)\_\_\_\_\_ wanna stay, no  
You, but you don't really (5)\_\_\_\_\_ go, oh  
'Cause you're hot then you're cold  
You're yes then you're no  
You're in and you're out  
You're up and you're down  
We used to be just like twins, so in sync  
The same energy now's a dead battery  
Used to laugh 'bout nothing  
Now you're plain boring  
I should know  
That you're not gonna change  
'Cause you're hot then you're cold  
You're yes then you're no  
You're in and you're out  
You're up and you're down  
You're wrong (6)\_\_\_\_\_ it's right  
It's black and it's white  
We fight, we break up  
We kiss, we (7)\_\_\_\_\_ up

You, you don't really wanna stay, no  
You, but you don't really wanna go, oh  
You're hot then you're cold  
You're yes then you're no  
You're in and you're out  
You're up and you're down  
Someone call the doctor  
Got a case of a (8)\_\_\_\_\_ bipolar  
Stuck on a rollercoaster  
Can't get off (9)\_\_\_\_\_ ride  
You change your mind  
Like a girl changes clothes  
'Cause you're hot (10)\_\_\_\_\_ you're cold  
You're yes then you're no  
You're in and you're out  
You're up and you're down  
You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
'Cause you're hot then you're cold  
You're yes then you're no  
You're in and you're out  
You're up and you're down  
You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
You, you don't really wanna stay, no  
You, but you don't really wanna go, oh  
You're hot then you're cold  
You're yes then you're no  
You're in and you're out  
You're up and you're down, down, down, down...

## Fill in the gaps

Answer

1. your
