

Fill in the gaps

Everybody sees me	To say why won't you (6) over here
But it's not that easy	Why won't you (7) over here
Standing in the light field	We got a (8) to love
Standing in the (1) field	Why won't you come over here
Waiting for some action	We got a city to love
Waiting for some action	Oh time love songs
No but why won't you come (2) here	We die so swiftly
Why won't you come over here	You never trust me
We got a (3) to love	For a while it was nice but it's time to say bye
Why won't you come (4) here	Oh cold
We got a city to love	You're so cold
Oh time grudges	You're so cold
We die so slowly	You're so cold
I know you miss the way I saw you	No no no no
And cold	Cold
Yes I'm cold	You're so cold
You're so cold	You're so cold
You're so cold	You're so cold
Nobody can see me	Oh no no no
Everything is too easy	Cold
Standing in the (5) field	You're so cold
Standing in the light field	You're so cold
Waiting for some actress	You're so cold
Waiting for some actress
