Slow It Down by Amy Macdonald

I never knew you before,

I've been walking (1)_____ with my eyes on the floor

And know you're everywhere to me

You're every face that I see, things ain't moving quick enough for me

I guess I've been

Running 'round town

and leaving my tracks,

Burning out rubber

driving too fast

But I, (2)_____ gotta slow it right down

Back to the moment the very start,

from the very first day you had my heart

but I got to slow right down…

Slow it down.

[Down down down]

[down down (3)_____ down...]

Wishing, wanting for something more

Always (4)_____ (5)_____ I had before

Who knew these dreams would come true

And I run the red, won't stop at night

I (6)_____ care for traffic lights

Things ain't moving quick enough for me

I guess I've been

Running round town

and leaving my tracks,

Burning out rubber

driving too fast

But I got to slow right down

Back to the moment the very start,

from the very first day you had my heart

but I got to slow right down

Slow it down.

[Down (7)_____ down]

[down down down down...]

I guess I've been

Running round town

and leaving my tracks,

Burning out rubber

driving too fast

But I got to slow right down

Back to the moment the (8)_____ start,

from the very first day you had my heart

but I got to slow right down…

Slow it down.

I guess (9)_____ been

Running round town

and leaving my tracks,

Burning out rubber

driving too fast

But I got to slow right down

Back to the moment the very start,

from the very first day you had my heart

but I, I got to slow right down…

Slow it down.

(Down down down)

(down down down down…)
