

Fill in the gaps

Already Gone by Kelly Clarkson

Remember all the things we wanted
Now all our memories they're haunted
We were always meant to say goodbye
Even (1)_____ our fists (2)_____ high
It never would've (3)_____ out right
We were never meant for do or die
I didn't want us to burn out
I didn't come (4)_____ to hold you, now I can't stop
I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
Looking at you makes it harder
But I know that you'll find another
That doesn't (5)_____ make you want to cry
Started with a perfect kiss then we could feel the poison set in
Perfect couldn't keep this love alive
You know (6)_____ I love you so, I love you enough to
let you go
I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I (7)_____ you to move on so I'm already gone
I'm already gone, already gone

You can't make it feel right when you know (8)_____ it's
wrong
I'm already gone, already gone
There's no moving on so I'm already gone
Already gone, already gone, already gone
Already gone, already gone, already gone, yeah
Remember all the (9)_____ we wanted
Now all our memories they're haunted
We were always meant to say goodbye
I want you to know that it doesn't matter
Where we take this (10)_____ someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
I'm already gone, already gone
You can't make it feel right when you know that it's wrong
I'm already gone, already gone
There's no moving on so I'm already gone
