

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
We are twelve billion light years from the edge
That's a guess
No one can ever say it's true
But I know that I will always be (1)_____ you
I'm warmed by the fire of your love everyday
So don't call me a liar
Just believe everything that I say
There are six billion people in the world
More or less
And it makes me (2)_____ quite small
But you're the one I love the most of all

We're (3)_____ on the wire
With the world in our sight
And I'll never tire
Of the (4)_____ that you give me every night
There are nine million (5)_____ in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I (6)_____ love you till I die
And (7)_____ are (8)_____ million bicycles in
Beijing
And you know that I will (9)_____ you till I die
