

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
We are twelve billion light years from the edge
That's a guess
No one can ever say it's true
But I know (1)_____ I (2)_____ always be with you
I'm warmed by the fire of your love everyday
So don't call me a liar
Just believe (3)_____ (4)_____ I say
There are six billion people in the world
More or less
And it makes me feel quite small
But you're the one I love the (5)_____ of all

We're (6)_____ on the wire
With the world in our sight
And I'll never tire
Of the love that you (7)_____ me (8)_____ night
There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
And there are nine (9)_____ bicycles in Beijing
And you know that I will love you till I die
