But the more I grow, the less I know And I have lived so (1) lives, (2) I'm not old And the more I see, the less I grow The fewer the seeds, the (3) I sow Then I see you standing there Wanting more (4) me And all I can do is try Then I see you standing there Wanting more from me And all I can do is try, try I wish I hadn't seen all of the realness And all the real people are (5) not real at all The more I learn, the more I learn The more I cry the (6) I cry
I'm not old And the more I see, the less I grow The fewer the seeds, the (3) I sow Then I see you standing there Wanting more (4) me And all I can do is try Then I see you standing there Wanting more from me And all I can do is try, try I wish I hadn't seen all of the realness And all the real people are (5) not real at all The more I learn, the more I learn

The more I cry the (6) I cry
As I say goodbye to the way of life
I thought I had designed for me
Then I see you standing there

And all I can do is try
Then I see you standing there
I'm all I'll ever be
But all I can do is try, oh try, try, try
All of the moments that already passed
We'll try to go back and make them last
All of the things we (7) each (8) to be
We never will be, we never will be
And that's wonderful, that's life
That's you baby, this is me baby
We are, we are, we are
We are, we are free in our love
We are free in our love
Try
