The Scientist by Coldplay

Come up to meet you, tell you I'm sorry

You don't know how lovely you are

I had to find you, tell you I need you

Tell you I set you apart

Tell me your secrets and ask me your questions

Oh, let's go (1)_____ to the start

Running in circles, coming up tails

Heads on a science apart

Nobody said it was easy

It's such a (2)_____ for us to part

Nobody said it was easy

No one ever (3)_____ it would be this hard

Oh, take me back to the start

I was just guessing at numbers and figures

Pulling the puzzles apart

Questions of science, science and progress

Do not speak as loud as my heart

But (4)_____ me you love me, (5)_____ back and

(6)_____ me

Oh and I rush to the start

Running in circles, (7)_____ our tails

Coming back as we are

Nobody said it was easy

Oh, it's such a (8)_____ for us to part

Nobody said it was easy

No one ever said it would be so hard

I'm going (9)_____ to the start

Oh ooh, ooh ooh ooh ooh

Ah ooh, ooh ooh ooh ooh

Oh ooh, ooh ooh ooh ooh

Oh ooh, ooh ooh ooh ooh

Answer

1. back
2. shame
3. said
4. tell
5. come
6. haunt
7. chasing
8. shame
9. back
