

Fill in the gaps

Do I Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we could be together if you wanted to
Do you ever get that fear that you can't shift the (1)	(Do I wanna know?)
that sticks around like summat in your teeth?	If this feeling (6) both ways
Are there (2) aces up your sleeve?	(Sad to see you go)
Have you no (3) that you're in deep?	Was sorta hoping that you'd stay
I've dreamt about you (4) every night this	(Baby we both know)
week	That the nights were mainly made for saying things that you
How many secrets can you keep?	can't say tomorrow day
Cause there's this tune I found that makes me think of you	Crawling back to you
somehow and I play it on repeat	Ever (7) of calling when you've had a few?
Until I fall asleep	(calling when you've had a few)
Spilling drinks on my settee	'Cause I always do ('cause I always do)
(Do I wanna know?)	Maybe I'm too (8) being yours to fall for somebody
If this feeling flows both ways	new
(Sad to see you go)	Now I've thought it through
Was sorta hoping that you'd stay	Crawling back to you
(Baby we both know)	(Do I wanna know?)
That the nights were mainly made for saying things that you	If this feeling flows both ways
can't say tomorrow day	(Sad to see you go)
Crawling back to you	Was sorta hoping that you'd stay
Ever thought of calling when you've had a few?	(Baby we (9) know)
Cause I always do	That the nights were mainly made for saying things that you
Maybe I'm too busy (5) yours to fall for	can't say tomorrow day
somebody new	(Do I wanna know?)
Now I've thought it through	Too busy being yours to fall
Crawling back to you	(Sad to see you go)
So have you got the guts?	Ever thought of calling darling?
Been wondering if your heart's still open and if so I wanna	(Do I wanna know)
know what time it shuts	Do you want me crawling back to you?
Simmer down and pucker up	
I'm sorry to interrupt it's just I'm constantly on the cusp of	
trying to kiss you	

I don't know if you feel the same as I do

- 1. type
- 2. some
- 3. idea
- 4. nearly
- 5. being
- 6. flows
- 7. thought
- 8. busy
- 9. both
