

## Fill in the gaps

## Do I Wanna Know? by Arctic Monkeys

Have you got (1) in your cheeks?	But we could be together if you wanted to
Do you ever get that fear that you can't shift the type that	(Do I wanna know?)
sticks (2) like summat in your teeth?	If this feeling flows (18) ways
Are there some aces up (3) sleeve?	(Sad to see you go)
Have you no idea that you're in deep?	Was sorta hoping that you'd stay
I've dreamt about you nearly every night this week	(Baby we both know)
How many (4) can you keep?	That the nights were mainly made for saying things that you
Cause there's this tune I found that makes me	can't say tomorrow day
(5) of you (6) and I	Crawling back to you
(7) it on repeat	Ever thought of calling when you've had a few? (calling when
Until I fall asleep	you've had a few)
Spilling drinks on my settee	'Cause I (19) do ('cause I always do)
(Do I wanna know?)	Maybe I'm too busy being yours to fall for somebody new
If (8) flows both	Now I've thought it through
(10)	Crawling back to you
(Sad to see you go)	(Do I wanna know?)
Was sorta hoping (11) you'd (12)	If this feeling flows (20) (21)
(Baby we (13) know)	(Sad to see you go)
That the nights were mainly made for saying things that you	Was sorta hoping that you'd stay
can't say tomorrow day	(Baby we both know)
Crawling back to you	That the (22) were mainly made for
Ever (14) of calling when you've had a	(23) things that you can't say tomorrow day
few?	(Do I wanna know?)
Cause I always do	Too (24) (25) yours to (26)
Maybe I'm too busy (15) yours to fall for	
somebody new	(Sad to see you go)
Now I've thought it through	Ever thought of calling darling?
Crawling back to you	(Do I wanna know)
So have you got the guts?	Do you want me crawling back to you?
Been wondering if your heart's still open and if so I wanna	
know what time it shuts	
Simmer down and pucker up	
I'm sorry to interrupt it's just I'm constantly on the cusp of	
trying to (16) you	
I don't know if you (17) the same as I do	

## SUB inglés

- 1. colour
