Do I Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we (19) be together if you wanted to
Do you ever get that fear that you can't (1) the	(Do I wanna know?)
type that sticks around like summat in your teeth?	If (20) feeling flows (21) (22)
Are there some aces up your sleeve?	
Have you no idea that you're in deep?	(Sad to see you go)
I've dreamt about you nearly every night this (2)	Was sorta hoping that you'd stay
How (3) secrets can you keep?	(Baby we both know)
Cause there's this tune I found that makes me think of you	That the nights were mainly made for saying things that you
somehow and I play it on (4)	can't say (23) day
Until I (5) (6)	Crawling back to you
Spilling drinks on my settee	Ever thought of calling when you've had a few? (calling when
(Do I wanna know?)	you've had a few)
If (7) feeling flows both ways	'Cause I (24) do ('cause I always do)
(Sad to see you go)	Maybe I'm too busy (25) yours to fall for
Was sorta hoping that you'd stay	somebody new
(Baby we (8) know)	Now I've thought it through
That the nights (9) mainly made for saying things	Crawling back to you
that you can't say tomorrow day	(Do I wanna know?)
Crawling back to you	If this feeling flows both ways
Ever thought of calling (10) you've had a few?	(Sad to see you go)
Cause I always do	Was (26) hoping that you'd stay
Maybe I'm too (11) (12)	(Baby we both know)
(13) to (14) for somebody new	That the nights were mainly made for (27)
Now I've thought it through	things that you can't say tomorrow day
Crawling back to you	(Do I wanna know?)
So have you got the guts?	Too busy being yours to fall
Been wondering if your heart's still open and if so I wanna	(Sad to see you go)
know (15) time it shuts	Ever thought of (28) darling?
Simmer (16) and pucker up	(Do I (29) know)
I'm sorry to (17) it's just I'm constantly	Do you want me crawling back to you?
on the cusp of trying to kiss you
