Does Anybody Hear Her by Casting Crowns

She is running
A hundred miles an hour in the wrong direction
She is trying
But the canyon's ever widening
In the (1)_____ of her cold heart
So she sets out on (2)_____ misadventure
(3)_____ to find
She's another two years older
And she's three more steps behind
Does anybody hear her?
Can anybody see?
Or does anybody even know she's going down today
Under the shadow of our steeple
With all the lost and lonely people
Searching for the hope
That's tucked away in you and me
Does anybody hear her?
Can (4)_____ see?
She is yearning
For shelter and affection
That she never found at home
She is searching
For a hero to ride in
To ride in and save the day
And in walks her prince charming
And he knows just what to say
Momentary lapse of reason
And she gives herself away
Does anybody hear her?
Can anybody see?
Or does anybody even know she's going down today
Under the shadow of our steeple
With all the lost and lonely people
Searching for the hope

That's (5)_____ away in you and me
Does anybody hear her?
Can anybody see?
If judgment looms under every steeple
If lofty glances from lofty people
Can't see past her scarlet letter
And we've never even met her
If judgment looms under every steeple
If lofty glances from lofty people
Can't see past her scarlet letter
And we've never even met her...
We've (6)_____ even met her
Does anybody hear her?
Does anybody see?
Or does anybody even know she's (7)_____ down
today
Under the shadow of our steeple
With all the lost and lonely people
Searching for the hope
That's tucked away in you and me
Does anybody hear her?
Does anybody see?
Does (8)_____ even know she's going down
today
Under the shadow of our steeple
With all the lost and lonely people
Searching for the hope
That's tucked (9)_____ in you and me
Does (10)_____ hear her?
Does anybody see?
He is running
A hundred miles an hour in the wrong direction

Answer

1. depths
2. another
3. just
