

Fill in the gaps

Was a long and dark December
From the (1) I remember
There was snow
White snow
Clearly I remember
From the windows (2) were watching
While we froze down below
When the future's architectured
By a (3) of idiots on show
You'd (4) lie low
If you love me
Won't you let me know?
Was a (5) and (6) December
When the (7) became cathedrals
And the fog
Became God
Priests (8) (9) bibles
Hollowed out to fit their rifles
And the cross was (10) aloft
Bury me in honor
When I'm dead and hit the ground

A love (11) home it unfolds
If you love me
Won't you let me know?
I don't (12) to be a soldier
With the captain of some sinking ship
With snow, far below
So if you (13) me
Why'd you let me go?
I took my love (14) to violet hill
There we sat in snow
All that time she was (15) still
So if you love me
Won't you let me know?
If you (16) me,
Won't you let me know?
