Closer by Tegan and Sara

Fill in the gaps

All I want to get is	I'm the type who won't get oh so critical
A little bit closer	So let's make things physical
All I want to (1) is	I won't treat you like you're oh so typical
Can you come a little closer?	I want you close, I want you
Here comes the breath	I won't treat you like you're typical
Before we get a little bit closer	I want you close, I want you
Here comes the rush before we touch	I won't treat you like you're typical
Come a little closer	
The doors are open	Here come the dreams of you and me
The wind is really blowing	Here come the dreams
The night sky is changing overhead	Here come the dreams of you and me
It's not just all physical	Here come the dreams
I'm the type who won't get oh so critical	It's not just all physical
So let's make things physical	I'm the type who won't get oh so critical
I won't treat you (2) you're oh so typical	So let's make things physical
	I won't treat you like you're oh so typical
I won't treat you like you're oh so typical	I want you close, I want you
All you (3) of lately	I won't treat you like you're typical
Is getting underneath me	I want you close, I want you
All I dream of lately	I won't treat you like you're typical
Is how to get you underneath me	
Here comes the heat	I won't treat you (6) you're typical
Before we meet	
A (4) bit closer	I won't treat you like you're typical
Here comes the spark	All I want to get is
Before the dark	A little bit closer
Come a little closer	All I (7) to know is
The (5) are off and the sun is finally setting	Can you come a little closer?
The night sky is changing overhead	
It's not just all physical
