## Do I Wanna Know by Arctic Monkeys

Have you got colour in your cheeks Do you ever get that fear that you can't Shift the tide that sticks around like (Summat) in your teeth Are there some aces up your sleeve Have you no idea that you're in deep I (1) about you nearly Every night this week How many secrets can you keep 'Cause there's this tune I've found That makes me (2)\_\_\_\_\_ of you somehow And I play it on repeat Until I fall asleep Spilling drinks on my settee (Do I wanna know) \_\_\_\_\_ flows both ways If this (3)\_\_\_ (Sad to see you go) Sort of hoping (4) you'd stay (Baby, we both know) That the nights were mainly made For saying things that you can't say tomorrow day Crawling back to you Ever thought of calling when You've had a few 'Cause I always do Maybe I'm too Busy being yours to fall for somebody new Now I've thought it through Crawling back to you So have you got the guts Been wondering if your heart's still open And if so I (5)\_\_\_\_\_ know what time it shuts Simmer down and pucker up I'm sorry to interrupt It's just I'm constantly on the cusp

Of trying to kiss you But I don't know if you Feel the same as I do But we could be together If you wanted to (Do I wanna know) If this (6) flows both ways (Sad to see you go) Was sort of hoping that you'd stay (Baby, we both know) That the nights were mainly made For saying things that you can't say tomorrow day Crawling back to you (crawling back to you) Ever thought of calling when You've had a few (you've had a few) 'Cause I always do ('cause I always do) Maybe I'm too (maybe I'm too busy) Busy being yours to fall for somebody new Now I've (7)\_\_\_\_\_ it through Crawling back to you (do I wanna know) If this feeling flows both ways (Sad to see you go) Was sort of hoping that you'd stay (Baby, we both know) That the nights (8)\_\_\_\_\_ mainly made For saying (9) that you can't say tomorrow day (Do I wanna know) Too busy being yours to fall (Sad to see you go) Ever thought of calling, darling (Do I wanna know) Do you want me crawling back to you
