The Good Die Young by Scorpions

Fill in the gaps

You wake up	The good die young
Watch the (1) go 'round	The flame will burn forever
You shiver	And no one knows (13) name
Feeling upside down	Bring the boys back (14) again
Your (2) is beating fast	Home again
Pumping blood to your head	It was a quiet day
Another day to fight	On the streets of hope
You (3) a prayer on your lips	When the (15) (16) off
Under the desert sun	At the side of the road
And a loaded gun	Sounds of breaking steel
(Thank you)	A windshield full of blood
You remember	No enemy in sight
That (4) (5) said	It (17) like in a movie (18) are
Stay out of (6) son	passing by
And be (7) to yourself	It's (19) life
You'll be working (8) a dog	The good die young
Raise a family	There (20) be no tomorrow
And (9) (10) be alright	In god we trust
But now it's written in the stars	Through all this pain and sorrow
If you'll make it out alive	The good die young
Out alive	The flame will burn forever
The (11) die young	And no one (21) (22) name
There might be no tomorrow	Bring the boys (23) home again
In god we trust	Home again
Through all (12) pain and sorrow
