| (Love what made of)                        | (Love, what)                          |
|--|---------------------------------------|
| Something about your smile                 | Made of                               |
| That keeps me close                        | (Love, what)                          |
| Keeps me warm                              | Made of                               |
| Is what love is made of                    | (Love, what)                          |
| Something (1) your eyes                    | Made of                               |
| That bright blue shine                     | (Love, what)                          |
| I see your soul                            | Made of                               |
| Is what love is made of                    | Say I'm the special one               |
| Let me see                                 | The one you think of most             |
| What love is (2) of                        | What you got, that cooking up         |
| Give it to me                              | Come give me my toast                 |
| What love is (3) of                        | Say I'm the special one               |
| No recipe                                  | The one you (19) of most              |
| What love is made of                       | What you got, that cooking up         |
| So I can see                               | Come give me my toast                 |
| What (4) is made of                        | Let me see                            |
| And I (5) stay like this for days          | What love is (20) of                  |
| Looking at your (6) face                   | Give it to me                         |
| Give me your word, say you'll never go     | What love is made of                  |
| Let me know                                | No recipe                             |
| What (7) is (8) of                         | What (21) is made of                  |
| Something about (9) style                  | So I can see                          |
| The clothes you wear                       | What (22) is made of                  |
| You get it right (is what (10) is made of) | And I could (23) like this for days   |
| Something (11) your mind                   | Looking at (24) beautiful face        |
| The way you think                          | Give me your word, say you'll (25) go |
| How you so (12) (is what (13) is made      | Let me know                           |
| of)  | What love is made of                  |
| Let me see                                 | (Made of, (26) of)                    |
| What (14) is made of                       | (Love, what)                          |
| Give it to me                              | Made of                               |
| What love is made of                       | (Love, what)                          |
| No recipe                                  | Made of                               |
| What love is (15) of                       | (Love, what)                          |
| So I can see                               | Made of                               |
| What love is made of                       | (Love, what)                          |
| And I (16) stay (17) this for days         | Made of                               |
| Looking at your (18) face                  |                                       |
| Give me your word, say you'll never go     |                                       |
| Let me know (let me know)                  |                                       |
| What love is made of                       |                                       |
