Matrix by Chris Brown

Had an epiphany, and this what it seems

These smoking mirrors don't wanna believe

For far too long they've been plottin on me

The stories unfolding now, it's a conspiracy

Starting to feel like a deja vu

I remember being here

Must be a glitch in the matrix

Look around they all got the same face on

I'm standing by the (1)_____ someone (2)_____

me

Bring me to life...

Show me how to live...

'Cause I (3)_____ control, feeling like Neo

In the matrix, I just wanna live

I just (4)_____ live (oh woah)

I took a red and a blue pill, now I

Can't decide what's (5)_____ believe or real am I

Awake or am I (6)_____ asleep?

It's killing me...

Until the (7)_____ I wanted to know

What I was supposed to do

She said I see on my own

And the craziest thing is that you already know

How to decipher the signs

On the side of the road oh woah

Starting to feel like a deja vu

I remember being here

Must be a glitch in the matrix

Look around they all got the same face on

I'm standing by the phone someone call me

Bring me to life...

Show me how to live...

Cause I (8)_____ control, feeling like Neo

In the matrix, I just wanna live

I just wanna (9)_____ (oh woah)

I took a red and a blue pill, now I

Can't decide what's make believe or real am I

Awake or am I still asleep?

It's killing me...

I (10)_____ you, you gotta help me

I'm part human, part android

I need your power so you can't judge me

Judge me

(Oh woah) stuck in the matrix

(Oh) bring me to life

Bring me to life...

Show me how to live...

'Cause I lose control, feeling like Neo

In the matrix

I just wanna live

I just wanna live (oh woah)
