### A Total Eclipse Of The Heart by Bonnie Tyler

(Turn around)	Forever's gonna start tonight
Every now and then I get a little bit lonely	(Forever's gonna start tonight)
And you're never coming around	Once (11) a time I was falling in love
(Turn around)	But now I'm only falling apart
Every now and (1) I get a little bit tired	There's nothing I can do
Of listening to the sound of my tears	A total eclipse of the heart
(Turn around)	Once upon a time there was light in my life
Every now and then I get a little bit nervous	But now there's only (12) in the dark
That the best of all the years have gone by	Nothing I can say
(Turn around)	A (13) eclipse of the heart
Every now and then I get a little bit terrified	(Turn around bright eyes)
And then I see the look in your eyes	Every now and (14) I fall apart
(Turn (2) bright eyes)	(Turn around bright eyes)
Every now and then I fall apart	Every now and then I fall apart
(Turn around (3) eyes)	And I need you now (15) (and I need)
Every now and then I fall apart	And I need you more than ever
(Turn around)	And if you'll (16) hold me (17) (if
Every now and (4) I get a little bit restless	you'll only)
And I dream of something wild	We'll be holding on forever
(Turn around)	And we'll only be making it right
Every now and then I get a little bit helpless	Cause we'll never be wrong together
And I'm lying (5) a (6) in your arms	We can take it to the end of the line
(Turn around)	Your (18) is like a (19) on me all of
(Turn around)  Every now and (7) I get a little bit angry	Your (18) is like a (19) on me all of the time
Every now and (7) I get a little bit angry	the time
Every now and (7) I get a little bit angry  And I know I've got to get out and cry	the time (All of the time)
Every now and (7) I get a little bit angry  And I know I've got to get out and cry  (Turn around)	the time (All of the time) I don't know (20) to do and I'm always in the dark
Every now and (7) I get a little bit angry  And I know I've got to get out and cry  (Turn around)  Every now and then I get a little bit terrified	the time (All of the time) I don't know (20) to do and I'm always in the dark We're living in a powder keg and giving off sparks
