

Fill in the gaps

Spaceman by The Killers

It started with a low light
Next thing I knew they ripped me from my bed
And then they took my blood type
They left a (1)_____ impression in my head
You (2)_____ that I was hoping
That I could leave (3)_____ star-crossed world behind
But when (4)_____ cut me open
I (5)_____ I changed my mind
And you (6)_____ I might
Have just (7)_____ too far from the floor this time
'Cause they calling me by my name
And the zipping white (8)_____ beams
Disregarding (9)_____ and satellites
That was the turning point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna (10)_____ you mad
The spaceman says (11)_____
(12)_____ down
It's all in your mind
Well now I'm back at home and
I'm looking (13)_____ to this life I live
You know it's gonna haunt me
So hesitation to this (14)_____ I give
You think you might cross over
You caught (15)_____ the devil and the
(16)_____ blue sea
You better (17)_____ it over
Before you (18)_____ that leap
And you know I'm fine but I (19)_____ those voices at
night
Sometimes... they justify my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...
But it was a turning point
Oh what a lonely night
The star (20)_____ says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
The (21)_____ (22)_____ says it ain't so bad
The dream maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
My (23)_____ position systems are vocally
addressed
They say the Nile used to run from east to west
They say the Nile (24)_____ to run from east to west
I'm fine
But I hear those voices at night
Sometimes...
The star maker says it ain't so bad
The dream maker's (25)_____ make you mad
The (26)_____ says everybody look down
It's all in your mind
The star maker says It ain't so bad
The (27)_____ maker's gonna make you mad
The spaceman says everybody look down
It's all in your mind
It's all in my mind
It's all in my mind...

Fill in the gaps

Answer
