Spaceman by The Killers

Next thing I knew they ripped me from my bed
And (1)_____ they took my (2)_____ type
They left a strange impression in my head
You know that I was hoping
That I could leave (3)_____ star-crossed world behind
But when (4)_____ cut me open
I guess I changed my mind
And you know I might
Have just flown too far from the floor this time
'Cause they calling me by my name
And the zipping white light beams
Disregarding bombs and satellites
That was the (5)_____ point
That was one lonely night
The star maker says it ain't so bad
The dream maker's gonna make you mad
The spaceman (6)_____ everybody (7)_____ down
Its all in your mind
Well now I'm back at home and
I'm (8)_____ forward to this life I live
You (9)_____ it's gonna haunt me
So hesitation to this life I give
You (10)_____ you might cross over
You caught between the (11)_____ and the deep blue

You better look it over
Before you make that leap
And you know I'm (12)_____ but I hear those voices at
night
Sometimes... they (13)_____ my claim
And the public don't dwell on my transmission

'Cause it wasn't televised...

Its all in your mind
My global (18)_____ systems are
(19)_____ addressed
They say the (20)_____ used to run from east to west
