

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You were on a mission

Then our hearts combined like

A (1)_____ star collision

I (2)_____ (3)_____ left to lose

You (4)_____ (5)_____ (6)_____ to choose

Then we told each other

With no trace of fear that...

Our love would be forever

And if we die, we die together

And lie, I said never

'Cause our (7)_____ (8)_____ be forever

The (9)_____ is broken

Halos (10)_____ to glisten

You try to (11)_____ a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their (12)_____ will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love (13)_____ be forever

Now I've got (14)_____ left to lose

You take (15)_____ (16)_____ to choose

I can (17)_____ you now without a trace of fear

That my love (18)_____ be forever

And we'll die, we'll die together

Lie, I will never

'Cause our love (19)_____ be forever

Fill in the gaps

Answer

1. neutron
2. have
3. nothing
