Something Stupid by Frank Sinatra

I (1) I stand in line until you think			
You have the time to spend an evening with me			
And if we go someplace to dance			
I know that there's a chance			
You won't be leaving (2) me			
And afterwards we drop into a quiet little place			
And (3) a drink or two			
And then I go and spoil it all by saying			
Something stupid like I love you			
I can see it in your (4) that you despise			
The same old lines you heard the night before			
And though it's just a line to you for me it's true			
And never seemed so right before			
This horse seemed so highly serence			
I practice (5) to find some clever lines

I practice (5) to find some clever lines To say to make the (6) (7) true But then I think I'll wait Until the evening gets late And I'm alone with you			
I practice (5) to find some clever lines To say to make the (6) (7) true But then I think I'll wait Until the evening gets late And I'm alone with you The time is (8) your perfume fills my head			
I practice (5) to find some clever lines To say to make the (6) (7) true But then I think I'll wait Until the evening gets late And I'm alone with you The time is (8) your perfume fills my head The (9) get red and on the nights so blue
