Walking (1) the highway
Traffic's coming my way
All I see are (2) lights
People (3) in blue suits
Wanna know the (4) truth
How many did I have tonight?
Looking at the wreckage
Anyone would guess (5) all (6)
had died
But I'm alive
Wake up in a strange bed
Angels (7) my head
One of them is shouting clear
Thousand bolts of lightning
Bring me back to life
And it's a (8) (9) I'm
And it's a (8) (9) I'm (10) here
(10) here
(10) here As I'm coming to I'm screaming out for you

Knew (15) I (16) you				
The moment that I saw you				
Just terrified you'd push me away				
We're all dying slowly				
Just want you to hold me				
What are we waiting for?				
We're alive				
No I didn't pray to God				
No I never saw the light				
No I didn't watch my life				
Go (17) right before my eyes				
No I didn't do the things				
That (18) all said that I would do				
I just (19) my eyes and all I saw was you				
If I don't die (20) in the rain				
And I live another day (21) I run to you				
'Cause I don't have regrets				
Just (22) I'd never say out to you				
No I didn't (23) to God				
No I never saw the light				
No I didn't watch my life				
Go flashing right before my eyes				
No I didn't do the things				
That (24) all said that I would do				
I just closed my eyes and all I saw was you
