I Can't Hate You Anymore by Nick Lachey

The silence (2) you wanna scream But couldn't give you what you need It drives you crazy You walked away, you stole my life I chased (3) the picture in a frame But no matter how I try But i couldn't save me I can't hate you anymore And how could we quit something Sometimes you hold so tight We never even tried It (8) right (9) your hands Well you still can't tell me why Will I ever understand? We built it up to watch it fall Like we meant nothing at all Like we meant nothing at all Like we meant nothing at all I gave and gave the best of me I gave and gave the best of me But couldn't give you what you need You walked away, you stole my life Just to find what you're looking for Just to find what you're looking for But no matter how I try But no matter how I try I can't hate you anymore I can't hate you anymore I can't hate you anymore I gave and gave the best of me I can't hate you anymore I can't hate you anymore I can't hate you anymore I can't hate you anymore I can't hate you anymore I can't hate you anymore You're not the person that you can cry You walked away	An (1) room can be so deafening	I gave and gave the best of me
