Where The Streets Have No Name by U2

...

I want to run

I want to hide

I want to tear down the walls

That hold me inside

I want to reach out

And touch the flame, yeah

Where the streets have no name

I (1)_____ to feel sunlight on my face

I see the dust (2)_____ disappear

Without a trace

I wanna take shelter

From the poison rain, yeah

Where the streets have no name

...

Where the (3)_____ have no name

Where the streets (4)_____ no name

We're still building, then burning down love

Burning down love

And (5)_____ I go there

I go there with you

It's all I can do

The city's a flood

And our (6)_____ turns to rust

We're beaten and (7)_____ by the wind

Trampled in dust

I'll show you a place

High on a desert plain

Where the streets have no name

...

Where the streets have no name

Where the streets have no name

We're still building, (8)_____ burning down love

Burning down love

And when I go there

I go there with you

It's all I can do

Our love turns to rust

We're beaten and blown by the wind

Blown by the wind...

See our (9)_____ turn to rust

I'll be beaten and (10)_____ by the wind

Blown by the wind

(Oh) and when I go there

I go there with you

It's all I can do

...
